Fremont native Barbara Baxter worked for Alameda County Library for 30 years and now serves as a volunteer with the Local History collection.

Barbara will talk about the establishment of the Alameda County Library system and the growth of libraries in the tri-city area. Established in 1910 for the then rural areas of the County, early libraries were in homes, on porches, a repurposed church-even a chicken coop.

The library is wheelchair accessible. An ASL interpreter will be provided for this program if requested at least 7 days in advance.
